CIVIC CENTER

LAST YEAR — An arctitect's sketch in your Town Report. THIS YEAR — the housing for your exercise of that truely democratic process — THE TOWN MEETING.

But more than that -— as the name implies — the center of your towns social, legislative, administrative, and protective (fire and police) departments. No one department more important than the other — but each in the full dignity of it's own function — a part of a greater while — THE CIVIC CENTER.

Its planning and supervision was the devoted work of a committee of seven and a supporting group of consulting members, whose names appear below. A group, large enough to reflect a cross section of the town yet small enough for flexibility of action. They are Ralph N. Sawyer, Chairman, Percy E. deRochemont, John R. Mazeau, William F. Mott, George A. Garland, John F. Rowe, Secretary, William E. Young, and for the consultants Donald Beals, Paul Beane, Harry Estey, Edward J. Hoyt, William A. LaBonte, Stillman Packard 3rd and Richard Spinney.

The soundness of its design and artistry commend Maurice E. Witmer, the architect, for any future town building.

And its thorough workmanship by S. E. LaPerle & Sons, Exeter, the builder, is made even more notable by his bid which was some $30,000 less than the nearest competitor, and $40,000 less than the highest.

MONEY SPENT	
S. E. LaPerle & Sons, B'lders	$ 79,012.00
Maurice E. Witmer, Architect	4,400.00
Holden Fire Apparatus	10,000.00
New Pumper on Ford Chassis	9,720.21
Insurance (builders risk & bond)	760.22
Misc. fuel, tree removal & Secretarial service	354.25
Ad for Fire Equipment	71.46
Total Spent	$104,318.14

SOURCE OF MONEY	
Taxes (1957)	$ 22,000.00
Special Town Trust Fund & Accumulated Interest	11,148.47
Note (5 Year)	62,000.00
Transfer by Selectmen of Unspent 1957 Approp.	8,016.99
Deficit (carried into 1958 Budget)	552.68
Prepaid Architect's Fee, 1956	600.00
	$104,318.14

FINANCE:

A five year note for $62,000.00 carrying interest at 3.45% was sold to The First National Bank of Portsmouth and the Merchants National Bank of Manchester, jointly. This matures $14,000.00 in December 1958, and $12,000.00 in December of the following four years. Neither this project nor the Town have any other outstanding indebtedness.

Your Selectmen, Clerk and Tax Collector have expressed a desire to keep their records in the Civic Center's fireproof vault and to transact all their Town business in these new offices instead of their homes. Office days and hours to be given you later.

It is becoming increasingly difficult to attract qualified persons to accept Town office, and any step that decreases their work load is in the interest of good Town management from which we all benefit.

SPECIAL TOWN WARRANT

STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Newington in the County of Rockingham in said State, qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said town on the 8th day of October next at seven thirty of the clock in the afternoon to act upon the following subjects:

1. To see if the Town will vote to amend ARTICLE VI of the Zoning Ordinance of the Town of Newington by adding to and including within the Commercial District all that part or portion now in the Residential District of the following described pieces or parcels of land situate in said Town, as follows, viz:

Beginning at a point on the Newington Road, so-called, at an iron pin set in the ground at land of the heirs of J. Manning Hoyt which point is North 69° 51′ East eighty-five and five hundredths (85.05) feet from the Easterly line of the right of way of the United States Government Air Force Drainage Ditch, thence running by other land of the heirs of J. Manning Hoyt North 18° 13′ West three hundred ninety-seven and two tenths (397.2) feet to an iron pin at other land of said heirs; thence turning and running North 25° 40′ East two hundred seventy-six and forty-eight hundredths (276.48) feet to an iron pin at land of E. Hoyt; thence turning and running South 64° 26′ 30″ East one hundred sixteen and seven hundredths (116.07) feet to an iron pin; thence by said last mentioned land North 8° 9′ East seventy-three and twenty-seven hundredths (73.27) feet to an iron pin at an existing driveway at other land of the heirs of J. Manning Hoyt; thence by

said driveway in a Southeasterly direction three hundred eighteen and forty-nine hundredths (318.49) feet to an iron pin at the Newington Road, so-called; thence in a Southwesterly direction along the Newington Road six hundred thirty-three and twenty hundredths (633.20) feet to the iron pin at the point of beginning.

Beginning on the shore of Little Bay at the junction of land of Richman S. Margeson, Doris Bean and Ida Bean Hammond at an iron pipe set in the ground, thence running South 04° 14′ East by land of Bean and Hammond six hundred twenty-one and seventy-two hundredths (621.72) feet to a pipe in the ground at the Northerly corner of land of Ernest Kaddy; thence turning and running by said last mentioned land South 29° 29′ West two hundred fifty and three hundredths (250.03) feet to a pipe in the ground; thence still by said land of said Kaddy South 60° 31′ East one hundred seventy-five (175) feet to an iron pipe at an existing road or right of way; thence Southwesterly along the Easterly sideline of said road or right of way twelve hundred sixty-eight (1268) feet, more or less, to an opening in a stone wall, thence across said road or right of way to a stone wall at land of Clarence de-Rochemont; thence by said stone wall and land of de-Rochemont North 66° 43′ 30″ West seven hundred two and seventy-seven hundredths (702.77) feet to a drill mark at an angle in the stone wall at land of James H. Coleman; thence turning and running by the stone wall and said land of Coleman North 29° 17′ 25″ East five hundred sixty-one and sixty-nine hundredths (561.69) feet to an iron pipe in the wall; thence continuing by said last named land North 23° 09′ 55″ East eleven hundred fifty-eight and twenty-four hundredths (1158.24) feet to a pipe at the shore of Little Bay; thence in a Northeasterly direction along the shore of

Little Bay six hundred fifty (650) feet, be the same more or less, to the iron pipe at the place of beginning.

2. To see if the Town will vote to amend ARTICLE IV, Section 8 of the Zoning Ordinance for the Town of Newington, New Hampshire, by striking out the second sentence in said ARTICLE so that the section shall read

"Property owners of enterprises shall be allowed two advertising signs for products sold on the premises, such signs not to total over fifteen square feet in area. Also one or more signs pertaining to the lease, sale or use of a lot or building on which placed, which shall not exceed a total area of five square feet, without the consent of the Planning Board,"

3. To see if the Town will vote to amend ARTICLE IV, Section 9 of the Zoning Ordinance of the Town of Newington, by striking out the words "sixteen thousand square feet", and adding in place thereof the words "one acre" and by striking out the word "one" and adding in place thereof the word "two" so that ARTICLE IV, Section 9 shall read as follows:

"Minimum land area. No lot for any building shall be less that one acre in area, with a minimum frontage of two hundred feet, unless in a planned subdivision approved by the Planning Board."

4. To see if the Town will vote to amend ARTICLE IV, Section 12 of the Zoning Ordinance of the Town of Newington by striking out the words "Planning Board" and substituting the words "Building Inspector" so that ARTICLE IV, Section 12 will read as follows:

"Camps shall have a ground floor area of not less than 400 square feet exclusive of porch, if any, and shall be of such construction as approved by the Building Inspector."

5. To see if the Town will vote to amend the Zoning Ordinance by adding to ARTICLE IV of the Zoning Ordinance a new Section 15, as follows:

15. One single trailer or mobile home or mobile house, so-called, may be maintained upon a lot in a residential district provided the lot is owned by the owner of the trailer or is upon a lot which is owned and occupied as a residence by a relative of the owner of the trailer or mobile home.

6. To see if the Town will vote to amend ARTICLE VI, Section 8 of the Zoning Ordinance of the Town of Newington by striking out the words "two strips" in the second sentence and substituting the words "one strip" and by striking out the figure "100" and substituting the figure "300", and further to amend the said section by striking out the words "and continuing along the Spur Road 300 feet wide on either side of the intersection of Gosling Road" so that ARTICLE VI, Section 8 of the Zoning Ordinance will read as follows:

"Trailer camps or mobile home subdivisions except that such use shall only be permitted after a public hearing by the Planning Board.

The Commercial District shall be limited to one strip of land approximately 300 feet wide on each side of Routes 4-16 from the Civic Center District Line, running in an easterly direction to the intersection of the Spur Road and Routes 4-16 at the foot of Bean's Hill. No lot shall have less than 100-foot frontage, and no building shall be located nearer than seventy-five feet from the road."

7. Immediately following the opening of the Town Meeting a recess will be called for the purpose of hearing the recommendations of the Planning Board in the matter of the proposed amendments to the Zoning Ordinance and to hold the second public hearing as required by law.

Given under our hands and seals this 22nd day of September in the year of our Lord one thousand nine hundred and fifty-seven.

WILLIAM F. MOTT, Chairman,

GEORGE A. GARLAND,

Selectmen of Newington.

A true copy of warrant, Attest:

WILLIAM F. MOTT, Chairman,

GEORGE A. GARLAND,

Selectmen of Newington.

PUBLICITY

A copy of this warrant together with a letter explaining each article and the substance of it was mailed to each family group in town in advance of the meeting.

RESULT OF MEETING

ARTICLE 1. Both land parcels rezoned from residential to commercial. Passed.

ARTICLE 2. Voted that Mr. Wilbur Bullock should rewrite and present at next Town Meeting.

ARTICLE 3. Defeated. Division: Yes 19, Nay 31.

ARTICLE 4. Voted to lay on the table.

ARTICLE 5. Passed.

ARTICLE 6. Voted to change paragraph one (Trailer camps or mobile homes etc) to conform to wording in original zoning ordinance, to wit: "No single trailer

home or mobile home shall be located on a lot smaller than 2500 square feet in area, and shall otherwise subscribe to the trailer regulations adopted by the Selectmen."

Voted to add in paragraph two, after the words "Bean's Hill", the words "and continuing along the Spur Road 300 feet wide on the Easterly Side to the intersection of the Gosling Road." Article passed with above changes.

PROPOSED NEWINGTON ELEMENTARY SCHOOL

Nearness of The Pease Air Base runway to our elementary school has resulted in such hazzard of noise and physical danger as to make teaching exceedingly difficult and to cause the parents considerable alarm.

Representative Chester E. Merrow, did in 1956 enter a bill in Congress setting forth this donger, and requiring an appropriation of $95,000 to build a school in another location. One of the main reasons for buying the 14 acre Civic Center Tract in 1956 was to be forearmed with a suitable site when this money became available.

The bill was referred to the Air Force for comment on their responsibility in the matter.

Recently they reported, disclaiming responsibility, and reciting a similar bill replacing a school in Indiana which did pass the Congress despite their disclaimers, but evoked comment from the President that such matters should be adjudicated by the courts.

We agree that the courts could settle the indemnity, and we are certain that any jury of New Hampshire people, sitting in one of the class rooms during a period of air activity, would make a proper award. However, suits cost money and are our last resort.

Rep. Merrow will attempt to push the bill through in spite of the above. Failing that, your Selectmen will institute suit and proceed with all possible haste. We have every determination to be moving into this new school by late 1959.

TOWN WARRANT

STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Newington in the County of Rockingham and said State, qualified to vote in town affairs:

You are hereby notified to meet at the Newington Civic Center in said Town on Tuesday, the Eleventh day of March next at ten o'clock in the forenoon, to act upon the following subjects:

The Polls will be open at ten o'clock A.M. and unless extended by vote of the meeting, will close at six o'clock P.M.

1. To choose in the manner provided by law, a town clerk; one selectman to hold office for three years; overseer of the poor; town treasurer; highway agent; collector of taxes; superintendent of the burying grounds; auditors; superintendent of the water works; one library trustee to hold office for the next three years; one trustee of trust funds to hold office for three years; chief of police.

2. To choose measurers of wood; surveyors of lumber, fence viewers; a pound keeper; constables and all other necessary town officers.

3. To see what action the Town will take for care and maintenance of town land and buildings.

4. To see if the Town will vote to authorize the selectmen to administer, or dispose of any real estate acquired or to be acquired by the Town through tax collector's deeds.

5. To see if the Town will vote to authorize the selectmen to hire money on the credit of the Town in anticipation of taxes, at a rate not to exceed the current bank rate.

6. To hear the report of the Budget Committee and act thereon.

7. To see if the Town will vote to appropriate the sum of $3,640.00 as provided in the Budget, to be added to Newington's share of the Town Road Aid Fund in the amount of $2,073.80, making a total of $5,713.80 to be used as a Joint Fund for the purpose of improving Town Roads, in the manner and under the conditions noted below:

1. Specifications of improvements and estimated costs of each are as provided by the New Hampshire Public Works and Highway Department, hereinafter referred to as NHPW&HD.

2. Such specifications and estimated costs of improvements to be titled "Newington Joint Fund Road Project 1958".

3. All construction, supervision, inspection and final approval to be sole responsibility of the NHPW&HD.

Road Improvement List

1. Carter's Lane. Seal coat with ¼ gal road oil per square yard and sand.

2. Fox Point Road. Seal coat with 1/5 gal road oil per square yard and sand.

3. Old Route 16. Langford property to Railroad Track. Treat with ¼ gal road oil per square yard and sand.

4. Old Route 16. deRochemont property to Old Railroad Station. Same as No. 3.

5. Access Road, Paterson's Lane to Langford Property. Add 3" of mixed in place asphalt and gravel.

6. Old Route 16. End of improvement 1956 to deRochemont property. Same at No. 5.

7. Add culvert by Newington Lumber Co. on old Route 16.

8. Culvert on Fox Point Road near deRochemont property.

9. Paint and repair all roadside posts and fences.

8. To see if the Town will vote to authorize the Selectmen to bring suit against the U. S. Government for such sum as will indemnify the town for the elementary school which has been rendered hazardous and unsuitable for teaching through its closeness to the Pease Air Base runway. Such action to be taken when and as, in the judgement of the Selectmen, all reasonable hope of favorable Congressional redress has been exhausted.

9. To see if the Town will vote and require that the Chairmanship of the following Boards and Committees so rotate that no Chairman succeeds himself:

Board of Appeals
Planning Board
Budget Committee

10. To see if the Town will vote to authorize the Selectmen to remove the veterans memorial in front of the meeting house, it having fallen into disrepair and having been replaced by a more suitable and permanent memorial in the area between the Library and the Town Hall.

11. To see if the town will adopt the following ordinances with respect to the Town Cemetery.

Cemetery Ordinance

A. Lots may be sold to bona fide residents of the Town only.

B. The Selectmen are authorized and directed to lay out all lots now unsold and such additional portions of the said Cemetery as may hereafter be required, in single lots of the dimensions of 5 feet by 10 feet, the length being perpendicular to the main road, and following a uniform pattern.

C. All lots laid out in accordance with Section B shall be numbered, using a system of numbers and letters in order that each of said lots may be completely identified.

D. The Superintendent of the Cemetery shall keep a permanent book of record of all lots sold and all burials made therein with names and dates.

E. The Selectmen shall receive for each single lot sold the sum of Twenty-five dollars, of which five dollars shall be paid by the Selectmen to the Superintendent of the Cemetery for laying out the lot.

F. The purchaser of each lot shall, as soon as may be, and in any event, within one year, topsoil each lot purchased by him and establish a suitable catch of grass thereon. Lots shall be finished level in accordance with the instructions of the Superintendent and shall not be mounded as heretofore.

G. Any person who has, prior to the eleventh day of March, 1958, purchased any lot in said Cemetery and who has failed and neglected to comply with the provisions of mounding, may have his election to mound, or to loam and seed the same manner as set out in paragraph F, but must comply with one or the other within one year.

H. The Superintendent shall keep a record of all burials in lots laid out and numbered in accord with the old custom and shall note in the record the particular part of such old lot in which each interrment is made.

I. The Selectmen shall recommend to all purchasers of lots that provision should be made with the trustees of Trust Funds for the perpetual care of the same.

J. At the end of each year the Selectmen shall pay over to the Trustee of Trust Funds of the Town, the net sums received by them for the sale of lots, and said Trustees shall hold said sums in Trust, the income only

to be expended, at the express direction of the Selectmen, for maintaining of the common walks and drives, and general maintenance of the cemetery.

K. That the purchase price of a lot does not include any sum whatever for the perpetual care of the lot.

12. To see if the Town will adopt the following ordinance:

Billboards

Sec. 1. No billboards or other sign for advertising goods or services for sale on property other than the immediate site of the sign shall hereafter be erected within the Town.

Sec. 2. Penalty. Any person erecting such sign may be punished by a fine of not more than one dollar for each day that such sign is erected or maintained in violation of the provisions of this ordinance.

13. On petition of Edith E. Knox, Fred E. Spinney, Virginia M. Rowe, Jeannette N. deRochemont, Margherita G. Mazeau, Wilbur L. Bullock, Thomas B. Heavner, Harold R. Frink, Lydia H. Frink, Leavitt E. Moulton, Mildred G. Moulton.

To see of the Town will vote to continue the present Committee which planned and supervised the design and construction of the so-called Civic Center Building until the building is completed and furnished, the surrounding area landscaped and approaches paved, and the project is approved by the State Board of Underwriters. The function and purpose of the Committee shall be as authorized by Article 17 of the 1957 Annual Town Meeting and will consist of Ralph N. Sawyer, Percy E. deRochemont, John R. Mazeau, William J. Young, John F. Rowe, William F. Mott and George A. Garland; Sub-Committee members Edward J. Hoyt, William A. LaBonte, Harry E. Estey, Stillman A. Packard, Richard Spinney and Donald E. Beals.

14. To see what sum of money the Town will vote to raise and appropriate for all town expenditures in the year ensuing, as included in the budgets.

15. To hear the report of the Town Clerk on the result of the election of Town Officers.

16. To transact such other business as may legally come before the meeting.

Given under our hand and seal this twenty-second day of February in the year of our Lord, one thousand nine hundred and fifty-eight.
Newington, February 24, 1958

We hereby certify that on the twenty-fourth day of February, 1958, we posted a true and attested copy of the within Warrant at the place of meeting within specified and a like copy at the Town Hall, a public place in said town, and delivered the original to the Town Clerk.

WILLIAM F. MOTT, Chairman
GEORGE A. GARLAND
PHILIP E. GRANT

Selectmen of Newington

A true copy of Warrant: Attest

BUDGET COMMITTEE

JOHN R. MAZEAU, Chairman	PERCY E. deROCHEMONT, Sec.
REGINALD P. KENNARD	GRANVILE S. KNOX
STILLMAN A. PACKARD	RALPH N. SAWYER
HAROLD R. FRINK	EARNEST KADDY
WILLIAM J. YOUNG	GUY D. HAYWOOD

MINORITY REPORT

I cannot concur in the above budget proposal, because it indicates the highest tax rate in many years, and yet at the same time contains items which I feel can be curtailed or delayed until another year, and still give the Town more benefits than are enjoyed by any other New Hampshire Town.

WILLIAM F. MOTT

SUMMARY OF INVENTORY

Land and Buildings	$2,014,900.00
Machinery	2,700.00
Electric Plants	111,300.00

1957 REPORT OF THE LANGDON FREE PUBLIC LIBRARY

Langdon Library concludes its 65th year with a record of extended facilities of the library as are consistent with the changing times of the town.

The highlight of the year for the children was the happy story-telling hours with Miss Brewster in the spring. Because of the busy school schedule in the fall, the storytelling has been discontinued for the present.

An outstanding event of the year was the observance in August of the 65th anniversary of Langdon Library. The response of librarians and trustees from the surrounding area, townspeople and state library officials was gratifying. It was an honor to have as our main speaker, Dr. Emerson Greenaway, librarian of the Philadelphia Free Public Library, and president of the American Library Association. Mr. Donald Babcock, University of New Hampshire, gave delightful readings from his poems, and our own Frederick Pickering gave reminiscences of Langdon Library. As Chairman of the Selectmen, Mr. Mott, presiding with distinction, welcomed the guests and introduced the speakers. The day was a credit to our library and town. Mrs. Warrick of York Harbor, Mr. Stone of Portsmouth, and Mr. Mott of Fox Point sent flowers in memory of Mr. Langdon. Flowers grown by Mr. Leavitt Moulton deserve special mention. To them, and to the ladies of the town who furnished refreshments, we extend our thanks. Of particular interest were the panel paintings of the old Piscataqua Bridge at Fox Point and the old Boston and Maine Bridge kindly loaned by Mrs. Clyde Waterhouse.

The library was represented at the N. H. Library Association in Concord, and at the Rye meeting. The

stimulus of exchanging ideas with librarians and trustees and the book exhibits gave us new incentives. At the request of state library officials, Langdon Library will be opened in mid February to representatives of other libraries in this area.

Mrs. Bullock was awarded a scholarship from a state library trust fund for a summer course in library techniques at the University of New Hampshire.

Since spring there has been more frequent service at the library and school from the bookmobile. Through the cooperation of the bookmobile and Mrs. Edna Garland, library service has been provided in South Newington.

For the fourth year the Wednesday evening summer openings have been enjoyed by those attending, but a larger attendance would be encouraging. To Mr. Herbert Williford, Mrs. Edith Knox, Commander Dawley, Mr. David Knapp, Mrs. Elizabeth Elkins, Mr. William F. Mott, and Mr. Frederick Pickering, we extend our keen appreciation for their interest, time and talent.

For the fourth year Langdon Library has received an award from the N. H. Roadside Improvement Associates. Recognition from this nationally honored association is pleasing. For the attractive planting in the fountain both the library and town are grateful to Mr. Warren Witham for the care, time and interest which he has given as a public service for the past two years.

The modern trend in library service includes visual education. This is advocated by library leaders and educators. It is hoped that the projector for our library will prove a stimulus for increased attendance and book circulation.

Visitors from as far away as California and Canada were among those who came to our little library seeking

genealogical information. Each year the number is surprising, and to help them is a real satisfaction.

The library would be glad to receive pictures and old newspaper clippings about town events, people and places to add to our scrapbook collection. The loan of a hand stereoptican with views would be most acceptable. Also a complete collection of the N. H. Troubador magazine which is no longer published.

The librarian is glad to assist in the selection of memorial gifts of books which will be both appropriate to the person to whom they are a tribute, and valuable to the library.

Respectfully submitted,

FLORENCE C. WATSON,
MARGARET PICKERING,

Library Trustees.

POLICE DEPARTMENT REPORT

The Newington Police Department wishes to take this opportunity to report to the town of their activities for the year 1957.

This department has travelled 5,275 miles answering 211 routine calls, plus 94 motor vehicle accidents, 12 cases of breaking and entering, 92 warnings for motor vehicle violations, for a total of 605 man hours worked.

We have had in Portsmouth courts, 2 for D.W.I., 6 unregistered cars, 15 for speeding, 10 for stop signs, 3 for rubbish disposal on town roads, 18 for yellow line violations, 13 for operating without a license, 8 for uninspected vehicles, 3 for leaving the scene of an accident, 3 for stealing gas from other cars, 4 for operating after rights have been denied by the Commissioner of Motor Vehicles, 3 for operating a motor vehicle in a careless manner, 5 for stolen cars.

The Newington Police Department has received its fourth consecutive Motor Vehicle Citation for our cooperation in the state's "Slow Down and Live" campaign, having passed 1,511 days since our last motor vehicle fatality within the town.

The Junior Police Organization sponsored by our department has 18 members, meeting twice a month. The members enjoy various movies and speakers on topics of safety, first aid, and group discussions.

The department had emergency telephohne number cards printed and were distributed by the Junior Police.

I wish to thank the members of the department for their unselfish and outstanding jobs and to the citizens of Newington for their help and co-operation, especially in our safety campaign.

Respectfully submitted,
WILLIAM A. LaBONTE,
Chief of Police

CIVIC CENTER COMMITTEE REPORT

At the regular Town Meeting in March, 1957, an appropriation for a new Civic Center was voted and the provisions for a Committee to administer same was accepted. This is a report of that Committee:

Subsequent to the Town Meeting, Percy deRochemont, George Garland and Ralph N. Sawyer were named as Members at Large to the Basic Committee and at a meeting held on April 6, Ralph N. Sawyer was elected Chairman, John F. Rowe, Secretary and Virginia M. Rowe was employed as Recording Secretary for the Committee. As a working title, the name of Civic Center Development Committee was adopted. It being felt that a wider segment of the citizens of the town could lend much in the way of advisement to the Basic Committee, the following were appointed to sit in on the meetings of the C.C.D.C. solely for the purpose of submitting recommendations on suggestions requested but to have no voting power. As a result, to the Basic Committee consisting of Ralph N. Sawyer, John F. Rowe, William F. Mott, William J. Young, Percy E. deRochemont, John R. Mazeau and George A. Garland, the following, making up the Advisory Committee, were named: Harry Estey, Stillman Packard III, Paul Beane, Edward Hoyt, Richard Spinney, Donald Beals and William LaBonte.

This latter group has been of outstanding assistance during the planning stages of the building and in the problem of acquiring equipment for the Fire Department.

On April 13, Mr. Maurice Witmer who had been the Long Range Planning Committee's consultant in the original planning for the Building, was employed as the Architect by the C.C.D.C. After considerable discussion

within the Committee and subsequent to several meetings with the Architect, the invitations for bids went out on June 15 and on July 9, the bids were opened. The low bid was submitted by S. E. LaPerle and Sons of Exeter, N. H., and as a result, they were awarded the contract. On July 27, ground breaking ceremonies were held at the building site on the former Knox property. The actual construction of the building was thereby underway.

Previous to this time, considerable discussion was held over the purchase of fire fighting equipment. The members of the Volunteer Fire Department, who were members of the two associated Committees felt that the two trucks owned by John Holden, and which had been in use by the Volunteer Department for several years, would be desirable for the Town to own. It had been established that Mr. Holden would sell the trucks to the Town for a price which appeared to be comparable to their real value.

At the same time it was realized that in order for the Town to get the benefit of a reduction in Fire Insurance Rates, it would be necessary for the Town to purchase one new piece of equipment; this being a requirement of the State Board of Underwriters.. Recognizing the desirability of having the new piece of equipment, the C.C.D.C. visited several Fire Departments in this and adjoining states to obtain as much first hand information about the various makes and the desirable features of the different types of trucks. Having reached an agreement on the specifications required it was voted to invite bids for a new Truck chassis and body with equipment. On July 12, bids were opened. Brooks Motor Sales, Inc. of Portsmouth were low bidder on the truck chassis, and Maynard Fire Apparatus Co., of Marshfield, Mass., on the body and equipment. Contracts were signed with these Companies. At this date the new truck is complete

and upon approval by the National Board of Underwriters, will be delivered to Newington. On February 1, 1958, the purchase of the two Fire Trucks from John Holden was completed and they were moved into the new building on that date.

In the original Warrant Article which covered the whole phase of the Civic Center, provisions were made for the establishment of a Board of Fire Engineers. In the early fall, discussion was begun to carry out this provision and at a meeting on September 27, the following were appointed: William J. Young, 6 years; Harold Frink, 4 years, and John Mazeau, 2 years. At this time this board is functioning.

At this date, the building is virtually complete and I wish to thank all the members of the Basic Committee who have so untiringly given of their time and effort to make this project the success which I believe has been realized. Also the assistance which has been given by the Advisory Committee, without which I seriously doubt we could have achieved the results which must be obvious to everyone. I would not forget the zealous cooperation of the Architect, the Contractor and Sub-Contractors who have worked so harmoniously with the Committee and I herewith express my appreciation to them. It has been a pleasure to have worked with such a dedicated group to the end achievement of our task.

Respectfully submitted,

RALPH N. SAWYER,
Chairman.

REPORT OF THE NEWINGTON PLANNING BOARD

It is fitting that this, the first printed report of the Planning Board, should touch briefly on its birth in 1952, its accomplishments, its effect on the community, and its long-range plans for the future.

Had the Town been destined to go along undisturbed by the outside world, or had the Town government been slow to recognize the forces then at work, which uncontrolled might completely upset not only the tranquility but the whole economy of the Town, this report might read differently.

Sponsored mainly by Kingsland Dunwoody, then Chairman of the Board of Selectmen, and the late Stillman A. Packard, Jr., the first informal gathering was held, unanimous approval of the principles of zoning expressed, and preliminary steps taken to lay a complete proposal before the people. On March 11, 1952, our present zoning ordinance, with subdivision control and building regulations, was adopted. Newington was the fourth community in the State to vote control of subdivisions.

Among the things accomplished through the efforts of the Board and the cooperation of the voters, we mention the abolishment of gravel pits, dumps, and other unsightly blots on the landscape; the controlled location and nature of industrial and commercial growth, so necessary to our welfare; general improvement in the care of Town lands, roads, buildings, parks, playgrounds, and other things which make Newington a better place to live in. We believe that so far as it is feasible the rural charm, which is a part of our heritage, should be preserved.

It is with pride and appreciation that we acknowledge the support of various committees, individuals and groups who have supported the greatest project — the Newington Civic Center — planned, designed, located,

approved and erected under what appeared to be, at the time of its inception in 1953, insurmountable difficulties.

We recognize the fact that we must accept changes in our way of living and that the right sort of growth should be welcomed; but we firmly believe that desirable and orderly growth should be planned to follow naturally, without shock or appreciable effect on our economy. In this connection, it behooves us to guard against depletion of the bountiful water supply with which we were blessed, to protect our farms, homes and industries.

Recommendations of the Planning Board are made to the people only after sufficient and authentic information has been gathered and carefully considered to support such recommendations. In this process, the vast sources of information available through our State Planning and Development Commission and other departments of State are used extensively and hereby acknowledged with deep appreciation.

A complete aerial map of Newington hangs in our Library. Surveyors' maps of the entire Town are also available—up to date and containing useful and sometimes vital information for our Town government.

Our plans for the future may be expressed in a general way, as the intent to control to the best of our ability—through recommendations to our legislative body, the townspeople—those things which may affect either favorably or adversely our health, our safety, or our happiness.

Respectfully submitted,
PERCY E deROCHEMONT, Sec.

MAURICE E. ROBINSON,

Building Inspector

FIRE DEPARTMENT REPORT

The Fire Department responded to twenty calls for aid during the past year. We are happy to say that we have had a very good year in the Town of Newington as far as fires are concerned.

This has been a year to be remembered in the Town of Newington for some time. The building of the Civic Center, with the Fire Department in it, is a great step forward for the Town. We are equipping the Fire Department with fire trucks and equipment so that we will be an approved Fire Department and listed as approved by the New Hampshire State Board of Fire Underwriters.

On February 1, 1958, the Newington Volunteer Fire Department was officially organized by an Ordinance filed with the Town Clerk.

The Fire Department moved into its new headquarters on February 1, 1958 at 11:00 A.M., and has been operating out of there since that time.

The Fire Department is operating as a three Company Department, with an Assistant Chief, and Chief, who is responsible to the Board of Fire Engineers for the personnel, morale, and general efficiency of the Departmnt.

A red network telephone system has been installed and there is some one at one of these phones at all times to answer any calls made to the Fire Department.

We wish to express our appreciation to the Women's Auxiliary for the help they have given the Fire Department.

The members of the Fire Department wish to express their appreciation and thanks to the Town for all they have done for us.

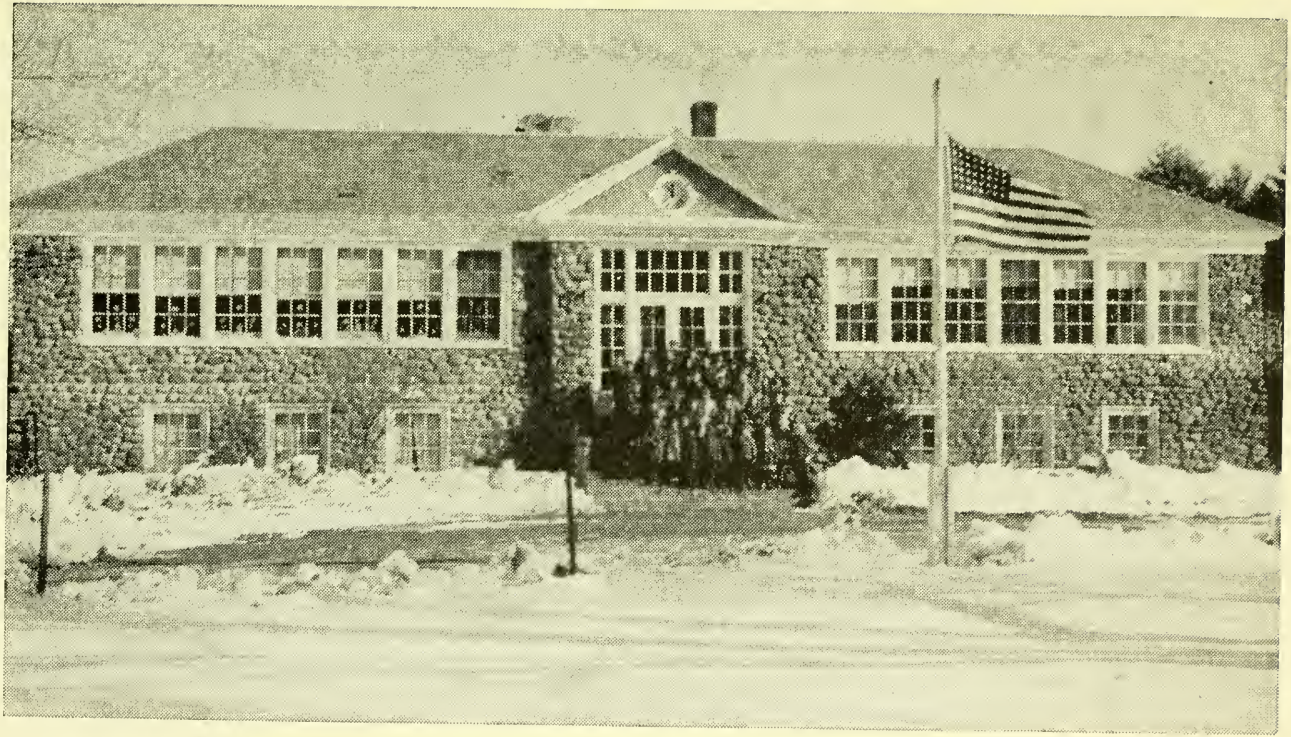
We wish to take this opportunity to express our thanks to Chief John E. Holden, for all he has done over the years as Chief of the Fire Department.

The Fire Alarm System will be tested each Saturday at noon.

Respectfully submitted,

WILLIAM J. YOUNG, Chief

Newington Volunteer Fire Department.



SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Newington School District qualified to vote in district affairs:

You are hereby notified to meet at the Civic Center in said district on the 11th day of March, 1958 at 3:00 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose a Member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.

6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the district will authorize the School Board to make application for and to receive, in the name of the district, such advances, grants-in-aid or

other funds for educational purposes as may now or hereafter be forthcoming from the U. S. Government and/or State Agencies.

10. To see if the district will vote to adopt the same check list for school meetings as prepared and used in town meetings. Town supervisors shall make, post, and correct the check list for the school district.

11. To see if the school district will vote to adopt a plan for extending to employees of the school district the benefits of title II of the Federal Social Security Act (Old-Age and Survivors Insurance) as authorized by Chapter 234 of the Laws of 1951 and to raise and appropriate the sum of $22.50 to defray the school district's share of the cost thereof.

12. If the foregoing article is adopted to see if the school district will authorize the School Board to execute on behalf of the school district the necessary agreement with the State of New Hampshire to carry into effect the plan and to see if the school district will designate the School District Treasurer as the officer to be responsible for the administration of the plan.

13. To see if the district will authorize the School Board to employ a third teacher for the Newington Elementary School; said teacher to teach grades five and six and be the Principal.

Given under our hands at said Newington this 24th day of January 1958.

MRS. PEARL HOYT, Chairman,
WILLIAM J. YOUNG,
MRS. ANNE H. HISLOP,
School Board.

A true copy of Warrant — Attest:

MRS. PEARL HOYT, Chairman,
WILLIAM J. YOUNG,
MRS. ANNE H. HISLOP,
School Board.

REPORT OF THE SCHOOL COMMITTEE

1957-58

It was with considerable regret that we received the resignation of our Superintendent, Mr. Arthur Toll, who left us to take the position of Superintendent in Berlin, N. H. We are deeply indebted to him for his fine service during his tenure of office, and wish him the best in his new position.

At the same time we were most fortunate in having assigned to our school district as Mr. Toll's successor Mr. Joseph Petroski. He has been extremely effective in his duties, meeting continuously with the School Board in policy forming and administrative matters, and has the tact, patience and judgment which has been of incalculable assistance to our organization.

The scheduling of transportation for Portsmouth Senior and Junior High and the Elementary School is an annual problem, but we most fortunately again had the able assistance of Mr. William Marshall of the Marshall Transportation Company, and with his experience, and the cooperation of parents, pupils, and drivers were able to surmount all problems. We wish to thank Mr. Marshall and his drivers for a year of careful driving while entrusted with the transportation of our children.

We are most appreciative of the continued fine service of our teachers. Mrs. Margaret Pickering as teaching principal and Mrs. Mary Hopkins as teacher and wish to take this opportunity to publicly express our gratitude for their extended efforts and loyal service.

We wish also to give an annual vote of thanks to Mr. Ernest Kaddy for the flooding and care of the school

skating rink. He has taken a personal interest in this project and it is through his efforts that the children enjoy the healthful and pleasurable sport of skating.

We are also grateful to Mr. John Holden for the loan of the fire truck to flood the rink.

Mr. Richard Spinney has given us a year of most satisfactory custodial service and is to be commended on the manner in which he has accomplished his duties and for the excellent appearance of the school building.

Mrs. Marjorie Moore as our school nurse has constantly had the welfare of our children as her prime interest and most adequately conducted her examinations and services. We are grateful for such fine health supervision.

Our music program this year has been under the direction of Mr. Wayne Killian and our sports program has been conducted by Joanne Colon and Deborah Wood of the University of New Hampshire, and we wish to thank them for a most successful year in their respective subjects.

The problem of the proximity of the School to the Air Base runway and consequent noise, dirt, and distraction has not been settled, but will be further detailed in the report of the Superintendent.

The School Board meets, in open meeting, on the third Friday of each month at 7:30 p.m. at the School house. Parents and Citizens are cordially invited to attend at any time.

Respectfully submitted,

PEARL G. HOYT, Chairman,
WILLIAM J. YOUNG,
ANNE H. HISLOP,
School Board of Newington, N. H.

Auditors.

July 12, 1957.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Newington:

This report will deal with the following areas: Facilities, Organization of the School, Program, and Finances.

We are faced with a very unfortunate situation in our school building. The structure itself is excellent; well built, sufficient room, good playground and the building itself is in good repair. The location of the building is untenable. The excessive noise from the base makes it extremely difficult, if not impossible, to achieve the maximum results from the learning situation.

The School Board sought relief from this condition through Federal legislation, without success as the following indicates:

a. HB 4804 a bill for the relief of the Newington School District introduced by Congressman Merrow; 85th Congress, 1st Session. ($90,000)

b. Referred to the Committee on the Judiciary.

c. Referred to subcommittee No. 2 of the Judiciary.

d. Sub-committee No. 2 requested a report from the Department of the Air Force.

e. The Department of the Air Force notified Senator Bridges as follows:

> "We are presently attempting to arrive at a fully coordinated position within the Department of Defense on this legislation. When this is accomplished, the Department of Defense views will be submitted to the Bureau of the Budget for approval prior to transmittal to the Committee."

f. On January 10, 1958, the following communication was received:

CONGRESS OF THE UNITED STATES
House of Representatives
Washington, D. C.

January 10, 1958

Mr. Joseph J. Petroski
Superintendent of Schools
Somersworth, New Hampshire

Dear Mr. Petroski:

I have just received a copy of the report by the Department of the Air Force furnished to the Committee on the Judiciary on the bill I introduced, H.R. 4804, for relief of the Newington School District. Enclosed herewith is copy. I am very sorry that favorable information could not be received so far as legislative action is concerned. You will note that it will have to be resolved by court action.

I wish to assure you of my deep and continued interest in the problem confronting the Town. Be sure and let me know if you have any further question. If there is anything I can do to be helpful now or at any future time, do not hesitate to get in touch with me.

Again I want you to know how sorry I am that a favorable report could not be received.

With best wishes.

Sincerely,
CHESTER E. MERROW, M. C.

DEPARTMENT OF THE AIR FORCE
Washington

December 31, 1957

Dear Mr. Chairman:

Reference is made to your letter of March 15, 1957, requesting views on H.R. 4804, 85th Congress, a bill "For the relief of the Newington School District, New Hampshire." The Secretary of Defense has delegated to this Department the responsibility for expressing the views of the Department of Defense on H.R. 4804.

The purpose of this legislation is to authorize and direct the Secretary of the Treasury to pay the sum of $90,000 to the Newington School District, New Hampshire, in full satisfaction of all claims against the United States for costs to be incurrred by such School District in relocating a school which has been made necessary because of noise and danger

from aircraft using Portsmouth Air Force Base, New Hampshire. Since the introduction of this bill, Portsmouth Air Force Base has been redesignated as Pease Air Force Base.

The Newington School is located approximately 1600 feet off the Northwest end of the runway at Pease Air Force Base and, since it is just outside of the clear zone, the building is not considered an obstruction to air navigation.

The Department of Defense is of the opinion that the merits of any claim against the Government for noise and danger resulting from military aircraft operations should be resolved by court action and recommends against enactment of H.R. 4804.

In this connection your attention is called to the following statement made by the President on September 4, 1957 when he approved S. 807, legislation similar to H. R. 4804:

> "I have approved S. 807, for the relief of Jackson School Township, Indiana. I have done so only because in the bill itself Congress has made a finding that the school property has been rendered useless for school purposes due to the noise and danger from aircraft using Bunker Hill Air Base.
>
> "Such questions of fact should more appropriately be determined by the Courts, and hereafter I shall insist that these disputed fact questions be determined by our Courts in the usual way."

The proposed legislation will have no budgetary effect insofar as the Department of Defense is concerned.

This report has been coordinated within the Department of Defense in accordance with procedures prescribed by the Secretary of Defense.

The Bureau of the Budget advises that there is no objection to the submission of this report.

Sincerely yours,
MALCOLM A. MacINTYRE,
Acting Secretary

Honorable Emanuel Cellar
Chairman, Committee on the Judiciary
House of Representatives

Presently our Elementary School is staffed with two teachers, each teaching three grades. Mrs. Pickering teaching the first three grades and Mrs. Hopkins the

fourth through the sixth. Beginning with grade seven our pupils go to Portsmouth as tuition students. I feel that a change in the Elementary organization should be considered. Two possible alternatives are:

1. Send all of our pupils out as tuition pupils.

2. Reorganize the Elementary School into a three teacher school. Each teacher to teach two grades. The third teacher to be a man and have the following responsibilities:
   a. Be the Principal of the school.
   b. Teach grades five and six.
   c. Organize and direct an activity program for all the children. This program to be carried out after school.

The above suggestion does not in any way reflect upon the work of our present Principal, Mrs. Pickering. That she has served the community admirably for many, many years there can be no question. However, she is reaching retirement age and it is my feeling that by lightening her total load she may stay on for a time thereby giving us the benfit of her long experience and continuing her fine work with the children in the classroom. Budgetary provision has been made by the School Board for implementing plan 2 if that is the desire of the community.

The emphasis in our elementary school continues to be on the basic fundamentals: reading, speaking, listening, writing, and arithmetic. Science, and social studies are brought in at the appropriate levels in given amounts commensurate with the growth and development of the pupils. It is my firm belief that this approach is mandated if our young people are to successfully compete in the complex world that they face as adults.

It has been possible this year to bring Music and Physical Education to the children. The cadet teachers

from the University have volunteered their services for the Physical Education Program which is held each Friday afternoon. Mr. Killian, the music teacher, comes to the Newington School each Wednesday afternoon.

The proposed budget for the Newington Schools for the year 1958-59 calls for $39,674.02 which is an increase of $2,429.93 over this year's budget of $37,244.09. I believe that the above figure is a reasonable one. Your School Board has worked very diligently to produce this budget and to insure that the public funds allotted for schools are prudently spent. I have enjoyed working with them and I can assure the citizens that the mebers of the board have given considerable time and effort in attempting to insure good schooling for the children of Newington. I thank them for the fine spirit with which they have approached their responsibilities and the manner in which they have worked with me.

Respectfully submitted,

JOSEPH J. PETROSKI,
Superintendent of Schools.

REPORT OF SCHOOL NURSE-TEACHER

To the Superintendent of Schools, the School Board, and the Citizens of Newington:

The following is a brief report of the Health Program which was conducted in the Newington Grade School from September 1956 through June 1957.

Vision Tests	65
Hearing Tests	37
Inspections	302
Heights & Weights	161

Defects found	No. of Cases	No. of Pupils seen or treated by a doctor
Vision	5	5
Hearing	1	1
Teeth	15	10

Communicable Diseases	Approx. No. of Cases
Mumps	16
Whooping Cough	1
Measles	4

Polio Vaccine Clinics	No. Pupils Inoculated	Where Held
November 1956	57	Newington
May 1957	70	Oyster River School, Durham

Home Visits — 9

In addition to the above report, I wish to say that we have had brief health talks in the classroom as well as viewed two sound movies pertaining to the health of your child. This was possible solely through the cooperation of your Principal and Teacher.

I wish to thank the Doctor, Nurses, and Mothers who were so helpful in making the Polio Clinic a success.

It has been a pleasure to work with our Superintendent Mr. Petroski, the School Board, Mrs. Pickering, Mrs. Hopkins, and the Citizens of Newington. Your Health Program could not be successful without the interest and helpful cooperation of each and everyone of you.

Respectfully submitted,

MARJORIE MOORE, R.N.
